Connections Bank

Scholarship Program

Connections Bank is proud to sponsor scholarships for its customers and their children who are high school seniors within our banking communities. These scholarships are designed to support students enrolling in a four-year university or pursuing their education at either a vocational or trade school.

- For students attending a vocational or trade school, Connections Bank offers $1,000 scholarships to help cover enrollment costs.
- For those enrolling in a four-year university, Connections Bank provides $1,500 scholarships, payable as $1,000 in the first year and $500 in the second year. To receive the second-year payment, the student must maintain a 3.0 grade point average during their first year as a full-time student.

Connections Bank recognizes the importance of supporting the next generation and is committed to helping its customers and their families as they pursue their educational and career goals.

*Students interested in applying for this scholarship must complete and return the application below to your high school counselor by **April 1st of graduating year**.
